Soaperheroes Competition

Dear Parent,

Attached to this letter, you will find a competition template for a soap dispenser front. The school has been entered into a competition to design the front of the soap dispensers.

If one of our designs is chosen as the winner from all of the other schools entering, we could win free soap dispensers with the winning design on them for the school. The winner will also receive a £50 book voucher all for themselves! The winners will be announced on Friday 12th May.

Using soap in schools is really important, as it helps to stop the spread of germs, and so fewer children get sick from catching illnesses from each other. This has a massive effect on the education children receive as it means they can be at school more, and learn more!

If you are interested in entering this competition, complete your design on the sheet attached, and bring it back to the school office. Remember to make your design as colourful and creative as possible!

We hope to see some brilliant designs, and to have a winner from Marfleet School! Please bring your designs in to school no later than Thursday 6th April 2017 so we can get them all entered!

Yours sincerely,

Mrs V Shaw
